## PRESS RELEASE

### National Account Agreement Between Planet Beach Franchising Corporation (PBFC) and Aqua Massage International (AMI)

AMI proudly announces its selection by Planet Beach Franchising Corporation for its new tanning spa salon concept.

The superior performance and design of AMI's latest Aqua Massage Spa model combined with its new "EZ-OP" Body Profiler System™ custom designed for easy self-operation by Planet Beach customers and AMI's well established reputation for quality and customer service were major factors in the selection decision.

The first Aqua Massage Spa installation in a Planet Beach salon was completed in late July followed by product presentation/demonstrations to more than 200 franchisees and staff at PBFC's annual convention in South Lake Tahoe, August 3<sup>rd</sup>-5<sup>th</sup>.

AMI welcomes Planet Beach Franchise Corporation and all its participating franchisees to AMI's worldwide family of customers in more than 65 countries.
